

Science Homework!

Your homework for science will be set each week on a Monday and will be due in the following Monday.

To access your homework you will need to get your username and password from your science teacher and visit the Educake website at www.educake.co.uk - a link will be put on class charts.

The first time you visit you need to click on 'student login' and log in using your username for both the 'username' and 'password' boxes'.

You will also need to enter your last name.

Student login

Educake username

Remember my username

Educake password

For security, also enter your last name

Log in

or

You will then need to choose a new password.

Make it something memorable!

Make sure you also record your username and password somewhere safe.

It is **YOUR** responsibility to make sure you know your log in details and to ask your teacher to reset them if you forget them!

Contact Us Test Valley School Paddington Bear

Welcome back!

Before you get started again, you need to choose a secure password.
You cannot use your Educake username as your password.

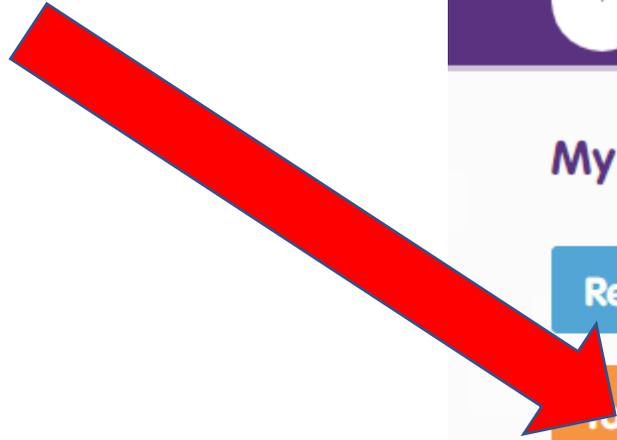

Choose a new password

Make sure it's something you can remember

Type your new password:

Type your new password again:

When you log in, your quizzes will appear here.

The screenshot shows the Educake user interface. At the top is a purple header with the Educake logo and navigation links for 'Contact Us' and 'Test Valley Sch'. Below the header is the 'My Educake' section, which includes a blue 'Revision wizard >' button. The main content area features an orange bar for 'Your Upcoming Quizzes' with a 'View all your quizzes' button. Below this is a table with columns for 'Subject', 'Quiz name', 'Assigned by', and 'Due'. The table is currently empty, and a message below it reads: 'Woohoo! You're all caught up! If your teacher sets you a quiz, you'll see it here.'

You can also find educake as an app so you can complete your homework on your phone!

When you click on the quiz you will be also be provided with some links to either a website, a video or the educake study guides to help you revise the topic of the quiz.

You should use these resources to help you answer the questions.

You need to score 60% on your quiz or you will need to retake it.

It is important you complete your homework quiz each week -

- It will help you to retrieve the knowledge you have been taught in class
- It will help you improve your skills in tackling tricky assessment questions
- It will help your teacher to see the areas where we need to do more work in class
- You will receive class charts rewards for completing and the opportunity to join the exclusive 100% club!

IT WILL HELP YOU TO BECOME A SUPER SCIENTIST!
