

Dear Parents, Carers and Year 11 Students

Class of 2024 Prom

This particular year group have been fantastic ambassadors throughout their time at Test Valley. It is such a shame that some of their time has been blighted by the impact of the COVID pandemic. To celebrate their time at Test Valley School we hope to hold a leavers' prom at Norton Park Hotel, Sutton Scotney for the **Class of 2024 on Thursday 20th June from 6pm to 10pm.**

Format

Students who wish to make a grand entrance using a transport method of their choice can do so by entering the long driveway and entering the circular drive, dropping at the entrance to the venue where they will be greeted by staff, parents and other members of their year group.

Parents are welcome to enjoy the arrival ceremony, parking in the onsite car park and taking the short walk to the entrance venue to join in the welcoming ceremony.

7pm – 8pm – Photos, speeches and toast

Arrival drinks will be served with a whole prom photograph, speeches and toast to the year group, followed by photographic opportunities to include a instamatic fun photobooth and formal group photographs in front of the photographic lighted backdrop, numbered light boxes (2&4), and around the venue space provided.

Students can purchase additional soft drinks at the bar.

8pm – 9pm - Food

A Buffet will provided for everyone to enjoy seated at the round tables.

During this hour, Mrs Brush's Band will play live music for everyone to enjoy, including pre-requested songs.

Behaviour

This event is an opportunity for Year 11 students to celebrate the end of their exams and to reflect on a positive time at Test Valley School. It is, however, important that students mark this occasion by behaving in a considerate manner and follow the school's Code of Conduct for such an event, ensuring everyone can enjoy it fully. In previous years, students have risen to the occasion so that students and colleagues have had an excellent evening together.

The possession or consumption of alcohol, vapes or smoking materials is completely unacceptable and student will be required to leave should this be discovered.
