

Year 10 Parents' Evening & 'Top Tips' for Revision!

Year 10 Parents' Evening, Monday 24th March 2014, 4.30-7.30pm
GCSE Science Revision workshop, Thursday 27th March 2014, 4.00-5.00pm

Monday 17th March 2014

Dear Parent,

The Year 10 Parents' Evening will be held on Monday 24th March in the School Hall. All subject teachers will be available for consultation and pupils should arrange appointments with them over the next few days. We would encourage all pupils to attend with their parents and play an active role in the consultations. Could I request that all appointments do not exceed the five minutes allocated. This ensures that the evening runs smoothly for all.

The majority of the year group are sitting GCSE Science this summer. There are three examinations:

Biology 1, 13th May

Chemistry 1, 15th May

Physics 1, 19th May

To support the pupils sitting these exams, the Science department are holding a 1 hour session on 'How to Revise'. The session will run from 4pm-5pm on Thursday 27th March, both pupils and parents are welcome to attend. We will have revision guides, workbooks and notes to purchase for those who don't yet have them.

A little reminder that termly reports will be published this Friday on SIMS Learning Gateway. If you do not have a SLG account you will have recently received a letter and account request form in the post. Please ensure this form is returned to the school office as soon as possible so that your log on details can be emailed to you before the reports are published.

We hope that you be able to join us for these important evenings. Please don't hesitate to contact me if you require any further information.

Yours sincerely,

Mrs C Crossland
Year 10 coordinator
