

## Year 9 Spring Term Pupil Progress Report to Parents

---

Friday 28<sup>th</sup> March 2014

Dear Parents

We hope that you find this report helpful in updating you on your son/daughter's progress through Year 9. Of course, this report only provides a snapshot. We hope that you will join us on Monday 31<sup>st</sup> March (4.30-7.30pm) to review progress in greater detail and establish targets for the Summer Term.

All termly reports are now published on SIMS Learning Gateway (SLG). If you do not have an account you will have recently received a letter and account request form in the post. Please ensure this form is returned to the school office as soon as possible so that your log on details can be emailed to you.

### Year 9 examinations

Assessment of GCSE performance is becoming more and more focused on terminal exams at the end of Year 11. With this in mind, we conducted a more formal Year 9 exam period. We were very pleased with the positive manner in which the majority of the year group embraced both their preparation and conduct over the examination period. Some found it very stressful while others relished the challenges. Of course, the marks gained represent a single assessment and may influence the current level to a greater or lesser extent dependent upon the subject.

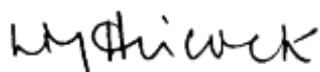

Should you have any concerns please contact subject teachers directly at the school via:

Phone           01264 810555  
Email           [office@testvalley.hants.sch.uk](mailto:office@testvalley.hants.sch.uk)

It is really helpful if you include your son/daughter's name, their tutor group and the name of the teacher(s) you wish to contact.

May I take this opportunity to wish you a happy and restful Easter break.

Yours sincerely

L Hiscock (Miss)  
Headteacher
