

## Year 10 Formal Examinations Monday 9<sup>th</sup> – Friday 20<sup>th</sup> June 2014

---

Monday 12<sup>th</sup> May 2014

Dear Parent

I would just like to remind you that the Year 10 formal examinations fortnight is fast approaching. A copy of the timetable is printed overleaf for your information and can also be found on the school website.

As you may already be aware, assessment of GCSE performance is becoming more and more focused on terminal examinations. With this in mind, we have planned a Year 10 examination period that closely matches what your child will experience next summer. We expect all pupils to prepare for their examinations in a positive and productive manner and use their normal Home Learning time to make sure that they have revised effectively.

With sixty percent of the year group taking GCSE Science exams imminently, please do not expect them to revise other subjects until these finish on Monday 19<sup>th</sup> May. Of course, those not taking GCSE Science exams can start immediately.

Your child is aware of what they need to revise for each subject and revision materials are available on *Moodle* which can be found via the school website. We hope that you will be able to support them by providing a suitable place at home in which to undertake their examination preparation and ensure that they allocate plenty of time for revision purposes.

We are going to hold a 'GCSE Results Day' on Wednesday 2<sup>nd</sup> July. Envelopes containing all their exam grades will be issued then, just like in August 2015!

This will be followed up by the issue of a full report on Friday 4<sup>th</sup> July which will show Summer Term attitude and attainment grades. This report will be posted on SIMS Learning Gateway for you to access.

Should you have any questions or concerns please contact myself or subject teachers directly at the school.

Yours sincerely

Mrs C Crossland  
Year 10 Coordinator
