Dear Parent

It is really helpful if you include your son/daughter's name, their tutor group and the name of the teacher(s) you wish to contact.

Year 8 examinations

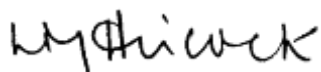

Assessment of GCSE performance is becoming more and more focused on terminal exams at the end of Year 11. With this in mind, we conducted a more formal Year 8 exam period. We were very pleased with the positive manner in which the majority of the Year group embraced both their preparation and conduct over the examination period. Some found it very stressful while others relished the challenges. Consequently, there was a wide variation in the marks secured. Of course, these marks represent a single assessment and may influence the current level to a greater or lesser extent dependent upon the subject.

SIMS Learning Gateway

All termly reports are now published on SIMS Learning Gateway (SLG). If you do not have an account please contact the school office or email slg@testvalley.hants.sch.uk as soon as possible so that we can set up an account for you.

May I take this opportunity to wish you a happy and restful Summer.

Yours sincerely

L Hiscock (Miss)
