

Year 7 Parents and Pupil Information Evening

Thursday 18th September

September 2014

Dear Parent

As part of the induction process for pupils to Test Valley School we would like to invite you to an information evening where you will have the opportunity to find out more about the year ahead. The evening will be an opportunity to meet some of the staff and to gain a greater insight into the ways in which you can support your child at the start of their secondary school experience.

Workshops will include:-

1. **SLG: Mr Fenton will host a workshop on the Sims Learning Gateway and demonstrate how parents can log on to this system.**
2. **ASPIRE: Mr Murdoch-Smith will outline the aims of the Aspire programme.**
3. **LITERACY: Miss Bushell will run a workshop on how literacy is developed at Test Valley School.**
4. **HLTs: Mrs Knight will run a workshop on how to support your child with their home learning tasks, this workshop will include a brief introduction to Moodle.**

The evening itself will begin with refreshments being served from 6.00pm. At 6.15pm there will be a short introductory presentation. This will be followed by the workshops. The evening is expected to conclude by 7.40pm.

We hope you and your child will be able to join us for this event and we look forward to meeting you for these workshops.

Should you have any queries regarding the evening do not hesitate to contact me.

Yours sincerely,

Mrs P Wingham
Year 7 Co-ordinator

.....
Please return to your tutor by Friday 12th September
