

Year 8 Parents Consultation Workshop

September 2014

Dear Parent

Test Valley School's Curriculum Innovation Group is a group of staff who meet regularly to consider and review the curriculum we offer our pupils. We are currently exploring the curriculum for our Year 8 pupils when they progress into Year 9, with a view to still providing them with a broad and balanced programme of study but designing it to be even more personalised and engaging.

With this in mind we would like to invite parents of Year 8 pupils to a consultation workshop to share our research and draft proposals with a view to gaining your views and feedback before we progress further. Year 8 pupils will not be required to attend and we are looking at other opportunities to involve pupils in this consultation.

The consultation workshop will be held on Tuesday 14th October, commencing at 6pm with refreshments for a 6.15pm start, and is expected to finish by 7.15pm.

Should you have any queries regarding the evening please do not hesitate to contact me.

Yours sincerely,

Mr. Langdown (on behalf of the Curriculum Innovation Group)

Please return to the PUPIL SERVICES by Monday 13th October

Year 8 Parents Consultation Workshop on Tuesday October 14th

Name of pupil: Tutor group:

I/We will/will not be able to attend the above workshop.

The number of adults attending will be:
