

KS3 Science CGP Revision Guide

Science SATs Revision Guide

November 2014

Dear Parent

Each year, to assist with home learning tasks and revision within science, we offer the opportunity for pupils to buy a specific revision guide from a company called CGP (www.cgpbooks.co.uk). These books are offered alongside the resources given to your child by his/her science teacher (the resources can also be found on Moodle). CGP have also produced an iOS app and online revision pack. A link to this can be found on Moodle, under Science KS3 Pupil Resources (or in the iTunes App Store).

The range of revision guides are tailored to cover all the topics covered in KS3 Science (both foundation and higher levels). We believe that these specific revision guides make a substantial difference to your child's opportunity to achieve success in science and achieve or exceed their KS3 target level.

Revision guides will be ordered for all pupils who wish to purchase one. They are priced at £3.00 (retail price £5.00). Please note that there are two levels of revision guide (Levels 3 – 5 and Levels 5 – 7). If uncertain which to order please ask your child to check with their science teacher.

If you would like to order a copy for your child please complete the slip below and return to the science technicians with the appropriate payment by Friday 5th December.

Yours sincerely

Mr Norgate
2i/c Science

PLEASE RETURN TO THE SCIENCE TECHNICIANS
