

Year 8 Autumn Term Pupil Report

Thursday 28th November 2014

Dear Parent

We hope that you find the enclosed report helpful in updating you on your child's progress through their first term in Year 8. Of course, this report only provides a snapshot. It would be very helpful if you could join us on Monday at Year 8 Parents' Evening to review progress in greater detail and establish targets for the Spring Term.

All termly reports are now published on SIMS Learning Gateway (SLG). If you do not have an account you will have recently received a letter and account request form in the post. Please ensure this form is returned to the school office as soon as possible so that your log on details can be emailed to you.

You will notice that we have made some changes to the Key Stage 3 report structure. After much consultation, we have replaced the 'current level' with a traffic-lighted 'progress level'. We hope that this will provide a clearer indication of the progress being made.

| Progress | Colour | Descriptor |
|----------|--------|---|
| 1 | Green | Making expected progress towards end of year target. |
| 2 | Yellow | Close to making expected progress towards end of year target. |
| 3 | Red | Not making expected progress towards end of year target. |

Staff also have the option of writing a comment to guide particular pupils as to where their focus should be over the coming term.

We look forward to meeting with you on Monday.

Yours sincerely

L Hiscock (Miss)
Headteacher
