

Year 9 Autumn Term Pupil Report

Wednesday 17th December 2014

Dear Parent

We hope that you find this report helpful in updating you on your child's progress through their first term in Year 9.

All termly reports are now published on SIMS Learning Gateway (SLG). If you do not have an account you will have recently received a letter and account request form in the post. Please ensure this form is returned to the school office as soon as possible so that your log on details can be emailed to you.

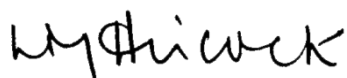

You will notice that we have made some changes to the Key Stage 3 report structure. After much consultation, we have replaced the 'current level' with a traffic-light 'progress level'. We hope that this will provide a clearer indication of the progress being made.

| Progress | Colour | Descriptor |
|----------|--------|---|
| 1 | Green | Making expected progress towards end of year target. |
| 2 | Yellow | Close to making expected progress towards end of year target. |
| 3 | Red | Not making expected progress towards end of year target. |

Staff also have the option of writing a comment to guide particular pupils as to where their focus should be over the coming term.

Of course, this report only provides a snapshot. As our Parents' Evening is not until Monday 23rd March 2015, please do contact subject teachers in the New Year to discuss any queries or concerns you might have.

Yours sincerely

L Hiscock (Miss)
Headteacher
