

Teri Terry Author Visit

13th February 2015

Dear Parent,

On Monday 2nd March, **Teri Terry** will be visiting Test Valley School to talk to the whole of Year 8. Teri is the successful author of the trilogy 'Slated', 'Fractured' and 'Shattered' published by Orchard Books. Her novels are psychological thrillers for young adults and 'Slated' has been recently optioned for a film.

The visit has been arranged in co-operation with P&G Wells Bookshops, Winchester. There will be an opportunity for pupils to purchase their own copies of Teri's books on the day, including advance copies of 'Mind Games' which can be pre-ordered for the discounted price of £6.00 each using the slip below.

During Teri's visit to Test Valley she will talk to the pupils about her new book, 'Mind Games' which is being released on World Book Day, 5th March. After she has spoken with the pupils, there will be an opportunity for the pupils to meet her and if they have purchased a copy of one of her books to have this signed.

Previous authors' visit have been very enjoyable and educational for pupils as they have learned where writers gain their inspiration for their books and how they structure their writing. Recent visitors have been Ali Sparkes and Simon Mayo and we look forward to Teri Terry's visit continuing their valuable experience.

Should you have any queries about the above arrangements do not hesitate to contact me.

Kind Regards

Kerry Natt (Mrs)
