September 2015

Dear Parent,

As part of the induction process for pupils to Test Valley School we would like to invite you to an information evening where you will have the opportunity to find out more about the year ahead. The evening will be an opportunity to meet some of the staff and to gain a greater insight into the ways in which you can support your child at the start of their secondary school experience.

Workshops will include:-

1. **SLG: Mr Page will host a workshop on the Sims Learning Gateway and demonstrate how parents can log on to this system.**
2. **Use of Moodle and HLT: Mrs Crossland will run a workshop on how to support your child with their home learning tasks, this workshop will include a brief introduction to Moodle.**
3. **Library and Literature: Mrs Natt will run a workshop on the use of the school library.**
4. **ASPIRE: Mrs Smyth will outline the aims of the Aspire programme.**
5. **LITERACY: Mr Williams will run a workshop on how literacy is developed at Test Valley School.**

The evening itself will begin with refreshments being served from 6.00pm. At 6.15pm there will be a short introductory presentation. This will be followed by the workshops. The evening is expected to conclude by 7.40pm.

We hope you and your child will be able to join us for this event and we look forward to meeting you for these workshops.

Should you have any queries regarding the evening do not hesitate to contact me.

Yours sincerely,
