

Year 8 Examinations

April 2016

Dear Parent

Please find attached a timetable for the forthcoming examinations for Year 8 pupils.

You have already received notification of the topics that pupils must revise in preparation for these examinations. Information for each subject is available on Moodle.

It was also good to see so many of you at the recent Year 8 Parents' Information Evening at which Mr Murdoch-Smith shared his advice on revision techniques. This information has also been given via an assembly and tutors have been working to ensure that pupils know what and how to revise.

Finally, may I take this opportunity to thank you for encouraging your children to do their best and for supporting them through their forthcoming examinations.

Yours faithfully

Mr A Page

Deputy Headteacher
