

Reverse Advent and Christmas Jumper Day

December 2016

Dear Parent

This Christmas Test Valley School have decided to support two charities. The first is the Andover Food Bank and the second is Save the Children.

To support the Andover Food Bank, we are asking each tutor group to create a reverse advent calendar. This means that instead of taking something out of an advent calendar they are putting something in. Pupils are being asked to bring one item of food in to school before Tuesday 13th December and place in the box provided in their tutor room. Food items can be in tins or other non-perishable items. We are hoping to provide at least 25 boxes of food in preparation for Christmas, representing one per tutor group.

We would also like to support Save the Children's Christmas Jumper Day, which this year falls on Friday 16th December and the last day of Autumn Term. This is already a non-uniform day, therefore pupils are encouraged to wear a Christmas jumper if they own one and donate £1 towards Save the Children.

Kind Regards

Mrs Osborne/Miss Attree
