

## Year 8 Parents' Information Evening, Thursday 27<sup>th</sup> April

March 2017

Dear Parent

I am writing to invite you to an information evening. The evening will be an opportunity to gain a greater insight into the ways in which you can support your child at Test Valley.

Workshops will include:

- 1. Safeguarding: Mr Page will lead a workshop on how we can work with you to ensure your children are kept safe**
- 2. Use of Moodle and Independent Learning: Mrs Cross, Mrs Williams and Miss Attree will lead a workshop on how to support your child with their home learning tasks**
- 3. Revision: Mrs Crossland and Ms Newland will lead a workshop on revision techniques and how parents can support their children**
- 4. Internet Safety: Mr Willcox will lead a workshop on internet safety and what parents can do to ensure children are using technology and the internet appropriately and safely.**

The evening will begin with refreshments being served from 6.00pm. At 6.15pm there will be a brief introductory presentation, which will include a short demonstration on how to access school reports through Moodle. This will be followed by the workshops. The evening is expected to conclude by 7.45pm.

Whilst you are welcome to bring your child to the information evening the workshops are aimed primarily at parents. We hope you will be able to join us for this event and we look forward to meeting you for these workshops.

Should you have any queries regarding the evening do not hesitate to contact me.

Yours sincerely,

Mr A Hill  
Year 8 Co-ordinator
