

## Year 7 Examinations: June 2017

---

May 2017

Dear Parent

I would like to remind you that the Year 7 examinations will start in the week commencing **5<sup>th</sup> June**.

Home Learning Tasks (HLTs) in all subjects will be suspended for at least four weeks prior to the examinations to support pupils' examination preparation. The examination preparation material will appear as HLTs on Moodle and will show up on your child's homepage provided that your child is enrolled on the correct course.

Please find enclosed the Year 7 examination timetable so you are fully aware of the actual examination date for each subject. This should enable you to ensure that your child is allocating sufficient time to revise for each subject prior to the examination date.

I would also like to remind you that pupils will need to have the correct equipment for all their examinations. This is listed on the Moodle "*Examination Information*" page, but as a minimum they should have a pen, pencil, ruler and pencil eraser.

I hope this information will assist you in helping your child to revise for the forthcoming series of examinations. Should you have any further queries or require any additional information for a specific subject do not hesitate to contact your child's subject teachers.

Finally, may I take this opportunity to thank you in anticipation of your encouragement for your child(ren) to do their best and for supporting them through these formal examinations.

Yours sincerely

**Mr S Langdown**  
**Year 7 Co-ordinator**
