

Year 9 Examinations

January 2018

Dear Parent,

I would like to remind you that the Year 9 examinations will start in the week commencing **19th February**. Home Learning Tasks (HLTs) in all subjects will be suspended. The exam preparation material will appear as (HLTs) on Moodle and will show up on your child's homepage. It is vital that your child is enrolled on the correct course in order for HLTs to appear on their Moodle account, should you have concerns your child is not enrolled on the correct courses please contact your child's tutor.

Please find enclosed the Year 9 examination timetable so you are aware of the actual examination date for each subject. This should enable you to ensure that your child is allocating sufficient time to revise for each subject prior to the examination.

I would also like to remind you that pupils will need to have the correct equipment for all their examinations. This is listed on the Moodle Examination Information page but as a minimum they should have a pen, pencil, ruler and pencil eraser.

I hope this information will assist you in helping your child to revise for the forthcoming series of examinations. Should you have any further queries or require any additional information for a specific subject do not hesitate to contact your child's subject teachers.

I would also like to bring to your attention important dates for your child regarding GCSE option choices:

- **28th February Year 9 Futures Day** (for pupils only)
- **5th March Year 9 Pathways Evening** (for parents and pupils)
- **26th March Year 9 Parents' Consultation Evening** (for parents and pupils)

Attendance to the Pathways Evening and Consultation Evening by you and your child is vital to ensure your child makes the correct GCSE choices shortly before Easter. Letters will be sent home and published on the school website shortly.

Finally, may I take this opportunity to thank you in anticipation of your support and encouragement for your child to revise and do their best through these formal examinations.

Yours sincerely

Mr A Hill
Year 9 Co-ordinator
