

Year 7 Parents' Information Evening

Thursday 19th September 2019 6 – 8pm

September 2019

Dear Parent

As your child begins their experience of Year 7 at Test Valley School, I would like to invite you to join us, with or without your child, for an important parents' information evening, dedicated to providing you with insights, information and ideas that will enable you to better support and encourage your child in the challenging and exciting time that lies ahead of them.

The evening will commence with a drink and biscuit in the Main School Hall from 5:45pm onwards and at 6.00pm there will be a brief introduction in the Hall followed by 3 seminars:

- **Parent Progress View:** This will introduce the way parents can monitor the Home Learning Tasks assigned to pupils and how parents can follow their child's progress online.
- **Home Learning Task Management:** This will show how HLTs are recorded on Moodle by teachers, how pupils are notified of these and will discuss methods of submitting and monitoring the completion of this work.
- **Safeguarding:** This will offer an insight into the vital task of keeping your child safe and secure at all times within their experience of school life.

There will also be an opportunity to hear about the work of the PTA and our school pool. The evening is scheduled to conclude by 8pm.

I hope you will be able to join us and we look forward to meeting you for this important evening. Should you have any queries about this evening or your child's on-going needs please do not hesitate to contact me.

Yours sincerely,

Mr I Murdoch-Smith
