

RE : Languages in Year 8 and 9 from September 2020

Dear Parent / Carer,

At Test Valley we are committed to the learning of languages. Learning a language allows us to connect with others. Being able to communicate with someone in his or her language is an incredible gift. Learning a language is also known to improve pupil’s ability to learn in other subjects too, boosting listening and memory skills.

As part of the review of the curriculum at Key Stage Three we have made some changes to our Language learning from September 2020. In order to ensure that pupils are fluent in a second language and can really engage confidently with that language we have made the decision to adapt the timetable so pupils are only studying one further language rather than two.

We therefore need to know which of the languages your child would like to continue with in the next phase of their studies. We would be grateful if you could therefore speak with your child and complete the choices form below.

Please return the form to us as soon as possible via email to juliffs@testvalley.hants.sch.uk and no later than **Wednesday 17th June 2020**.

Whilst every effort is made to ensure each pupil gets his/her first choice, this is not always possible, and you are indicating a preference.

Thank you for your continued support.

MFL team

Test Valley School – Language Preferences 2020/2021

Pupil name: _____

Tutor Group: _____

- No preference
- French
- German
