

21<sup>st</sup> May 2020

Dear Parent / Carer,

After half term the provision for vulnerable children and children of key workers will remain the same - 10am- 2pm.

However, from 1st June we will expect your child in school in school uniform please.

Unlike before half term - from June 1st they will need to enter school through the main gate near the bus bays and walk down and register in the hall. There will be markers on the floor to denote 2 meters. We would ask your child uses these to ensure social distancing.

During the day your child will have three taught lessons by specialist teachers. These will all be based in one room in the MFL block. Tables and chairs will be set up to ensure that social distancing can happen effectively.

Your child will need to bring their own equipment - pen and pencil, as these cannot be shared in class.

As mentioned in the communication sent earlier this week, our behaviour policy sets out clear expectations with regards social distancing:

The school will endeavour to implement all DfE and HCC advice on social distancing to ensure the safety of pupils and adults in school. Pupils are expected to adhere to necessary adjustments and take individual and collective responsibility for adhering to these measures without negotiation.

The School does not permit inappropriate physical contact in school. Pupils are expected to ensure that they act in a sensible manner and do not engage in activity that could lead to harm. Any behaviour which either through negligence (or wilful defiance) of the social distancing measures which causes potential harm to others will be treated as a serious breach of policy.

We will need to send your child home from school if they are unable to follow these expectations in order to maintain their safety and the safety of others.

As always, please do feel free to contact me on the school email if you wish to discuss any of this.

With Thanks

Toni Wilden
