

Dear Parents/Carers/ Pupils,

Re: Prom

It is with great regret that I'm writing to confirm that we have had to formally cancel the Year 11 prom that was due to take place on the 26th June, due to the continuing restrictions and uncertainty around the Covid-19 pandemic.

We have taken the decision not to book another provisional date at this stage, as we do not want to let you down by having to postpone or cancel a second time.

We are still committed to providing this rite of passage to our Year 11 pupils and as soon as the current restrictions on group gatherings and social distancing are lifted, we will re-book and contact you directly with the details.

If you have already paid for the prom in cash you will receive a refund from the school shortly. Any payments made by cheque have not been banked and you will not be charged.

Thank you for your continued support.

We all hope you are keeping well in these difficult times. Please do email us – we would love to hear from you.

Kind regards

Toni Wilden

Head of School
