

3 July 2020

Dear Parents/ Carers,

I hope this letter finds you well.

It has been such a pleasure to see so many of our Year 10 pupils in school over these last few weeks and our number of key worker pupils increases daily.

I know parents are nervous about what September brings. We too have been anxiously awaiting decisions from the Government.

Yesterday the Government sent out the guidance for a full return to school in September for all pupils.

There is much that will need to be considered in relation to this but we welcome the news as a school. We so desperately want to be back in contact with our young people and helping them build on their learning.

On **Monday 13th July at 6pm** I will lead a "Teams Live Broadcast" in which I will share with parents the plans for September for Test Valley. The link for the broadcast is below.

I do hope that parents and carers will be able to join me for this. The link will remain live so even if you miss it at the time , you can catch it later.

Best wishes for the weekend,

Toni Wilden
