Dear Parents/Carers,

**Re: School Uniform**

It has come to light that Skool Kit are selling the wrong jumper for Years 7 and 10. The jumper should have white embroidery on it. They made a mistake and put green on instead.

They have agreed to refund the money if you call them or take it back to the store.

The correct jumper is available at Stitch A Logo.

It also appears some ties have logos on and some don't. Please be assured that both ties are acceptable.

Kind regards
