RPA – Raising the Participation Age. (https://www.gov.uk/government/policies/increasing-opportunities-for-young-people-and-helping-them-to-achieve-their-potential/supporting-pages/raising-the-participation-age).
Unknown – Young people whose destination cannot be confirmed.

Destination Categories
Sixth Form College/School – Includes Sixth Form College and School Sixth Form.
FE College – Further Education.
Other Ed inc. Traineeship – Includes Year 11, Higher Education, education outside of area, moved out of area to education, Gap Year students, independent specialist providers and custodial sentences. (Nb from 2016 also includes Traineeship).
Non-Emp Training (FT) – Includes full time provider-based foundation learning and supported internships. (Nb included Traineeship prior to 2016).
Emp (FT) inc. Apprenticeship– Includes full time jobs with training (nb employed and self-employed) and apprenticeships.
EET (no RPA) inc. PT Emp – Includes full time jobs without training and part-time education/ employment/ training.
NEET - Available – Unemployed but potentially available for work.
NEET - Not Available – Unemployed and unavailable for work, e.g. young carers and asylum seekers.
Other – Includes unknowns, moved out of area to unknown activity, pregnancies, teenage parents, illness and unpaid personal development opportunities (nb activities to support young people to enter EET).

Programme Types
Level 3 - A levels – Includes GCE A level, and Vocational A level.
Level 3 - Technical – Includes all vocational programmes run by awarding bodies such as BTEC, CTEC, NVQ etc.
Level 2 - GCSEs – Includes all GCSEs.
Level 2 - Technical – Includes all vocational programmes run by awarding bodies such as BTEC, CTEC, NVQ etc.
Level 1 - Technical – Includes all vocational programmes run by awarding bodies such as BTEC, CTEC, NVQ etc.
Other Education Course incl. Traineeships – Includes continuation years of any programme, traineeships, higher education courses and programme types not specified in the data sent by further education establishments.

Note
Due to rounding of multiple numbers the figures in some tables may not always add up to 100%.
The data relating to the gender of the young people only includes those people who consented to having their gender recorded. As such the totals may not match the expected cohorts where a gender isn't logged.
The cohort for the Activity Survey is based on the previous year 11 September Guarantee cohort. The contents of this Activity Survey booklet will therefore differ from other school statistics published on government websites that are compiled using a different cohort.

Introduction

This booklet has been put together by the Youth Analysis Service (YAS) for schools and academies (referred to as establishments in this booklet) across Hampshire. It provides key figures for young people who completed Year 11 on 31st August 2019.

The topics covered in this report are based on the performance measures used by the Department for Education (DfE). Figures are given at establishment and Local Authority (LA) level.

This booklet acts as a resource for establishments to monitor their current performance, to plan future strategies and to spot potential issues before they arise.

This booklet is based on a cohort of young people who were recorded as being academically aged Year 11 and in an establishment in Hampshire as of 31st May 2019. The data relating to the cohort is a snapshot of their status as of 1st November 2019.

The following data and information in this booklet has been compiled from the Client Caseload Information System (CCIS) used by the Youth Support Service (YSS) in Hampshire. The content is generated by a program designed to identify the destinations, as of 1st November 2019, of young people who completed Year 11 in the academic year 2018/19.

Due to Raising the Participation Age (RPA) legislation, as of summer 2014, young people are under a duty to participate in education or training until at least their 18th birthday, although in practice most young people continue until the end of the academic year in which they turn 18 (academic Year 13).

This is an important piece of education legislation with particular relevance to vulnerable young people. As a high performing education sector, nine out of ten young people in Hampshire already progress successfully to post 16 education and training. Due to this legislation, it is now even more important that our services support all young people with participating in post secondary education. Primary responsibility for providing independent and impartial careers guidance on participation options now rests with establishments directly.

Careers Advice and Guidance is provided by Hampshire Futures

The work delivered by the Careers Adviser(s) is negotiated within the contracted hours of delivery and has included:

- Support to the school/college to meet and work towards the duty to secure independent, impartial careers guidance by provision of individual careers interviews, drop-in sessions, group work, assemblies and presentations.
- Provision of information, advice and guidance on all aspects of progression pathways, education, training, employment, volunteering and careers and support for the school/college to maintain an up to date and comprehensive selection of information resources in the Careers Information Centre or Information Point.
- In collaboration with the school, identifying students at risk of becoming NEET, in order to target advice and support at key transition times (including young people in care, young people with SEND, young people not attending, young people facing barriers to their progression).
- Support for parents/carers to understand the resources and range of options available, by attending Parents' Evenings and events and responding to individual enquiries.
- Advice to school on developing their careers programme and planning for the full Implementation of the 8 Gatsby Benchmarks, as detailed in the Statutory Guidance: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/672418/_Careers_guidance_and_access_for_education_and_training_providers.pdf
- Links to the Hampshire Futures Employment and Skills Hub for assistance with Work Experience Health and Safety checks and securing Employers to attend school careers events.

Raising the Participation Age (RPA) Summary

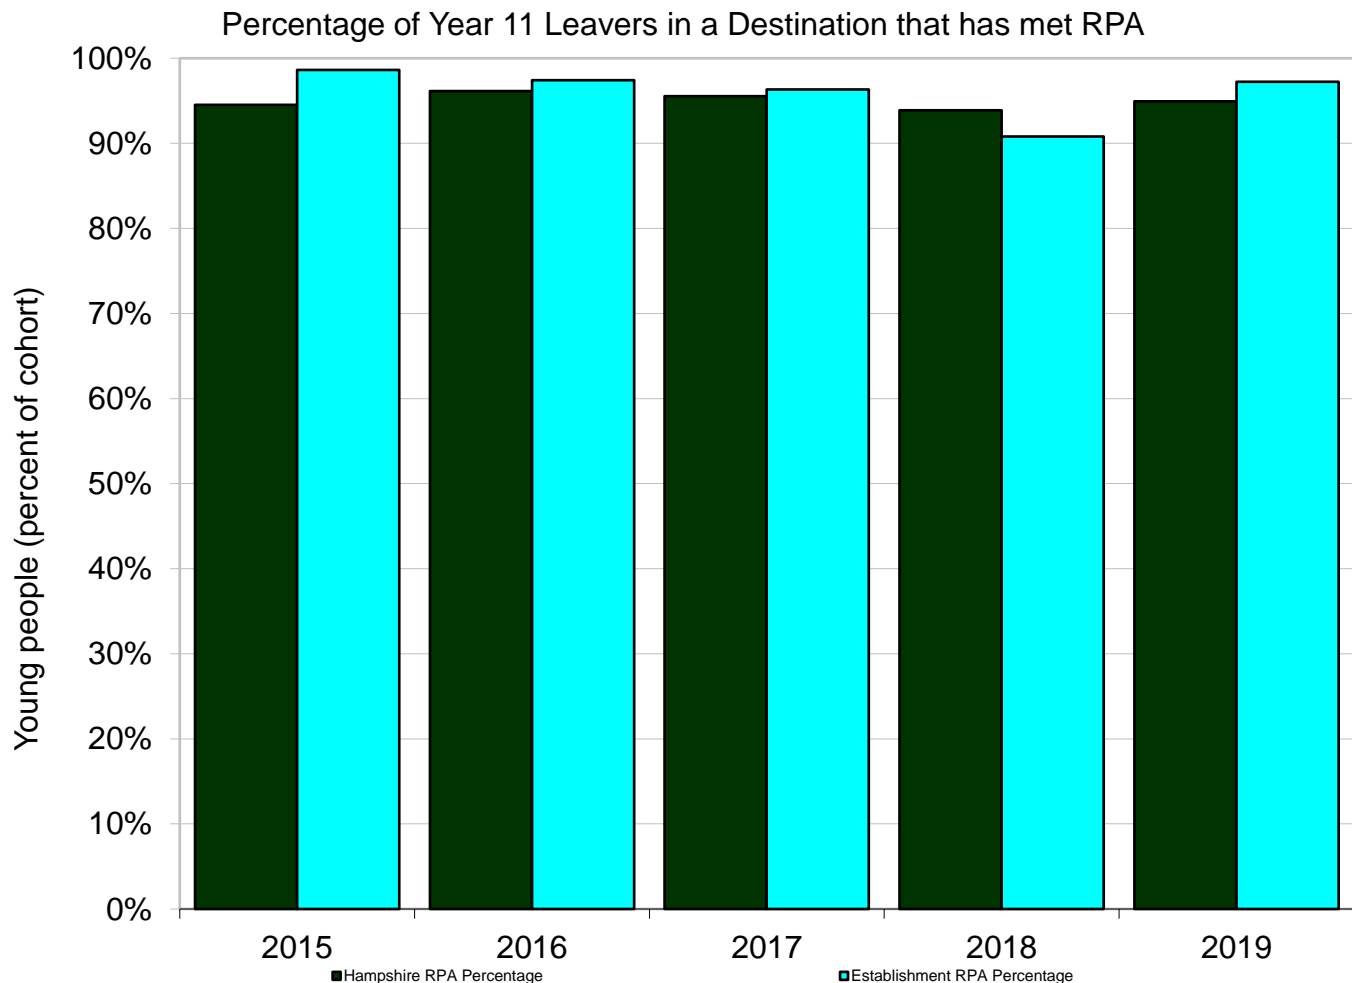

Table 1 shows the percentage of Year 11 leavers who were in a (DfE defined) participating destination for the last 5 years. The 'Other' category includes young people whose destination is unknown or who have moved out of the area, and young people who have a RPA status 'Working towards participation' or 'Temporary Break'.

Table 2a shows the number of Year 11 leavers who were in each destination category for the last 5 years at LA level. Table 2b shows the same data as percentages.

The figures have been grouped into 9 categories so the data can be displayed more clearly. The Destination Category table in the glossary on page 2 defines each category.

Establishment Leaver Destinations (2015-2019)

Comparing graph 3 with graph 2 shows the percentage of Year 11 leavers from Test Valley School who are now in 'Sixth Form College/School' is lower than the Hampshire percentage but the percentage in 'FE College' is higher than the Hampshire percentage.

Graph 3.

Hampshire Programme Type and Level

Table 4 shows the programme types (as both a number and a percentage) of Year 11 leavers who went on to full time education across Hampshire.

Table 4.

Programme Type	Total	
Level 3 - A levels	6,518	54%
Level 3 - Technical	2,185	18%
Level 2 - GCSEs	679	6%
Level 2 - Technical	1,767	15%
Level 1 - Technical	795	7%
Other Education Course inc. Traineeships	177	1%
Education Total	12,121	100%

The figures have been grouped into 7 categories so the data can be displayed more clearly. The Programme Type table in the glossary on page 2 defines each category.

Graph 4.

Establishment Programme Type and Level

Table 5 shows the programme types (as both a number and a percentage) of Year 11 leavers who went on to full time education from Test Valley School.

Table 5.

Level 2 - Technical	25	26%
Level 1 - Technical	5	5%
Other Education Course inc. Traineeships	0	0%
Education Total	98	100%

Comparing graph 5 with graph 4 shows that the percentage of Year 11 leavers going into education from Test Valley School who are now enrolled on 'Level 3 - Technical' is lower than the Hampshire percentage but 'Level 2 - Technical' is higher than the Hampshire percentage.

Graph 5.

Not Participating Total	233	3%	128	2%
Other	176	3%	142	2%
Total	6,963	100%	6,449	100%

Graph 6 shows that the general trend across Hampshire is for the majority of both genders to go on to post 16 education, with Sixth Form College/School being the more common destination. This is to be expected as a result of the balance of Sixth Form Colleges/Schools and FE Colleges in Hampshire.

The percentage of Year 11 leavers not meeting RPA requirements (nb in a non-participating destination or 'Other' destination) is low for both genders (6% for males and 4% for females).

Graph 6.

Not Participating Total	0	0%	0	0%
Other	0	0%	3	5%
Total	52	100%	57	100%

Graph 7 shows, amongst Year 11 leavers from Test Valley School, females are more likely to go on to 'Sixth Form College/School' than males are, whereas a higher percentage of males than females move into 'FE College'.

Graph 7.

Hampshire Leaver Destinations by SEND Status

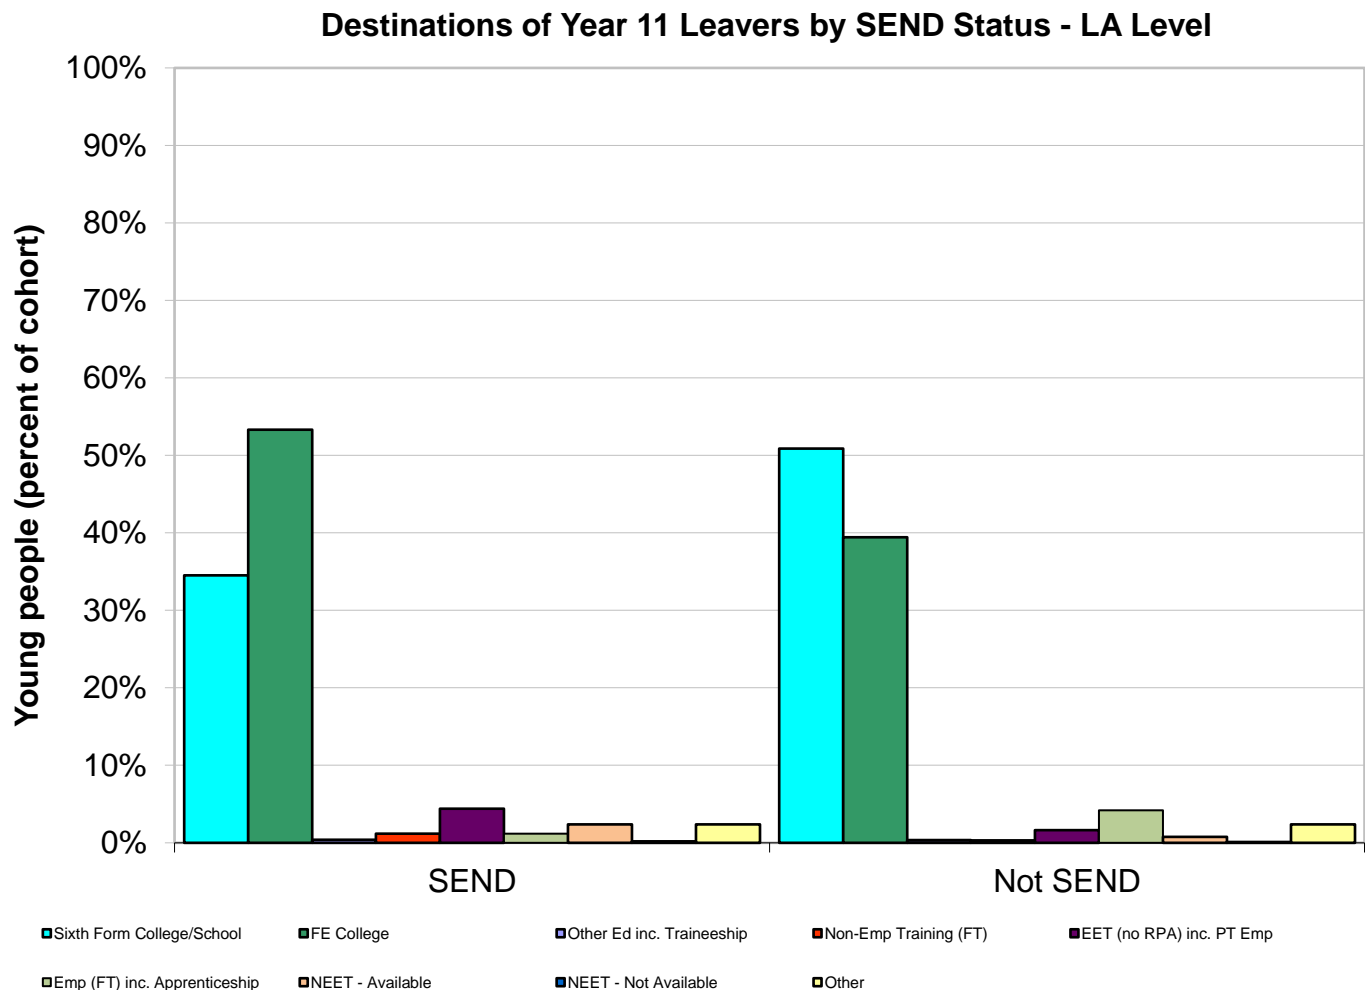

Table 8 shows the leaver destinations of the Year 11 SEND/Not SEND cohorts at LA level. LAs and establishments have a responsibility to track and support young people with SEND until the age of 25. For this reason it is particularly important to support these young people in getting into a destination that meets RPA requirements.

Table 8.

Destination	SEND		Not SEND	
Sixth Form College/School	173	35%	6,569	51%
FE College	267	53%	5,092	39%
Other Ed inc. Traineeship	2	0%	43	0%

Not Participating Total	35	7%	327	3%
Other	12	2%	306	2%
Total	501	100%	12,915	100%

Graph 8 shows that the SEND population largely follows the pattern of the non SEND group with the majority going on to some form of further education. However, in the SEND group FE College is a more popular destination than Sixth Form College/School.

Graph 8.

Establishment Leaver Destinations by SEND Status

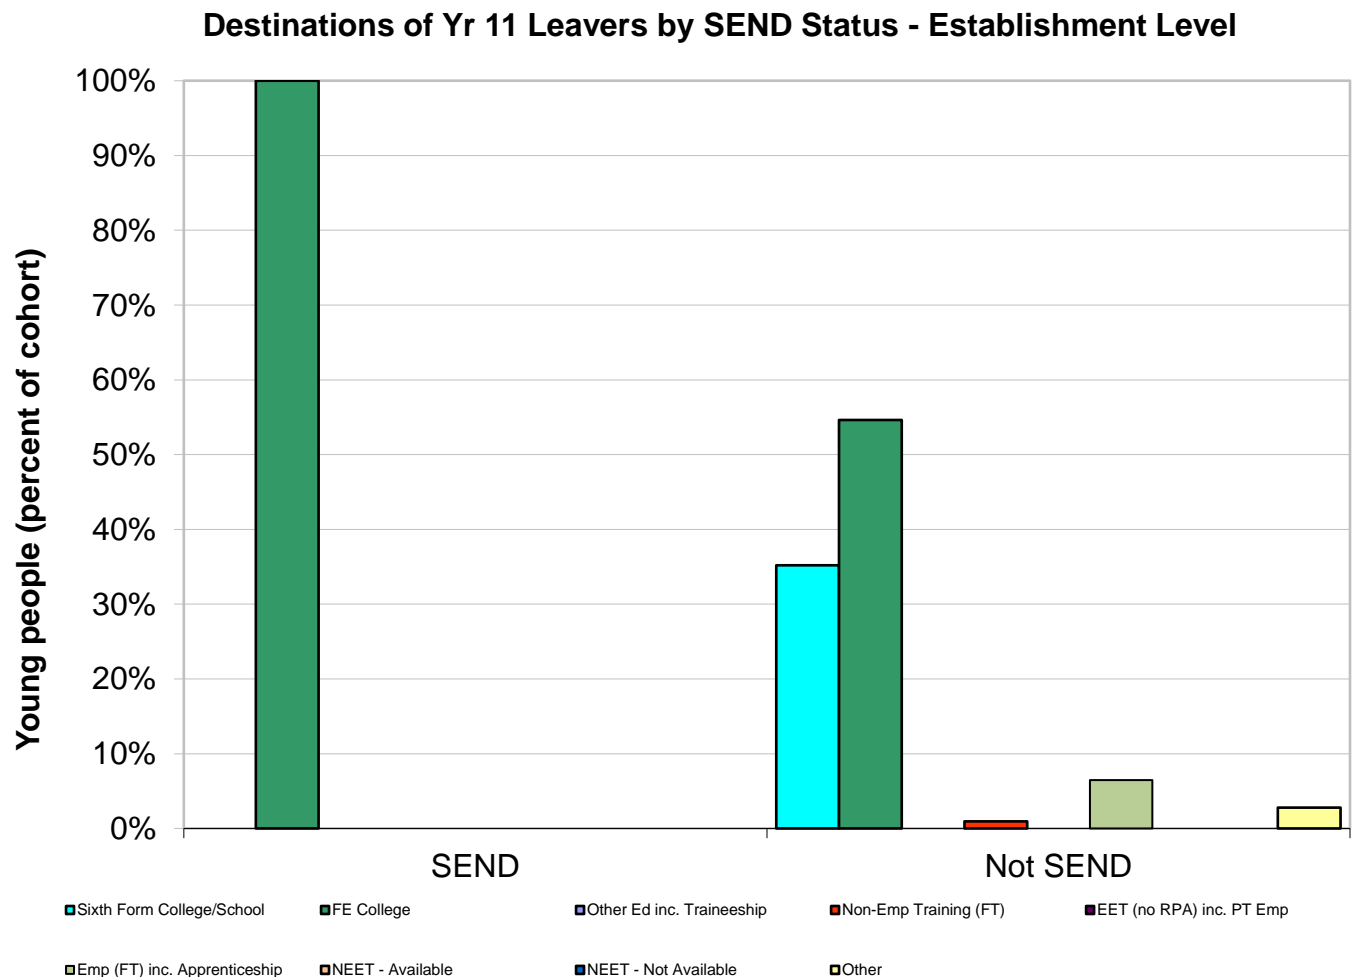

Table 9 shows the leaver destinations of the Year 11 SEND/Not SEND cohorts for Test Valley School.

Table 9.

NEET - Not Available	0	0%	0	0%
Not Participating Total	0	0%	0	0%
Other	0	0%	3	3%
Total	1	100%	108	100%

SEND destination figures are provided as they are considered a useful guide for establishments for assessing the outcomes of their support for SEND pupils. Where SEND cohorts are low, however, it will not be possible to draw conclusions from any statistical comparisons with the LA.

Graph 9.

Hampshire Leaver Destinations by Ethnicity

The official DfE figures split the ethnicity data into 20 ethnic groups. As the numbers are so small for any ethnicity other than White British in most Hampshire establishments, this booklet has split the figures into the categories of 'White British', 'Black and Minority Ethnic' (BME) and 'Unknown Ethnicity'.

Table 10 shows the destinations of Year 11 leavers, LA level, by their ethnicity.

Table 10.

Hampshire September Guarantees and RPA Met

September Guarantees should give Year 11 leavers the opportunity to enter a destination that meets RPA. The height of the bars on graph 12 show the percentage of young people who received a September Guarantee. The colour of the bar shows the proportion of those young people who are now in a destination that meets RPA. The majority of people who had a guarantee went on to meet RPA, which shows the effectiveness of the September Guarantee process.

Table 12 compares the number of Year 11 leavers who had a September Guarantee with the number now in a destination that meets the RPA requirements at LA level (see appendix for the destination types that count as 'RPA Met').

Tables 14a and 14b show that overall the majority of Year 11 leavers do go on to a destination that matches their intended destination.

Graph 14 compares the proportion of Hampshire leavers who go on to their intended destination with the proportion of Test Valley School leavers who did so. The 'Other' category figures have not been included in graph 14, as the relevant information is not available to put them in either category.

As graph 14 shows, the proportion of Test Valley School leavers going on to their intended destination is similar to the Hampshire average.

Post 16 Establishments Attended

Certain factors can greatly influence the appeal of a post 16 educational establishment, such as the type of courses offered. Table 15 shows the establishments attended, as of 1st November 2019, by the Year 11 leavers from Test Valley School who continued in full-time education at establishment level. The figures include young people repeating a year of statutory education.

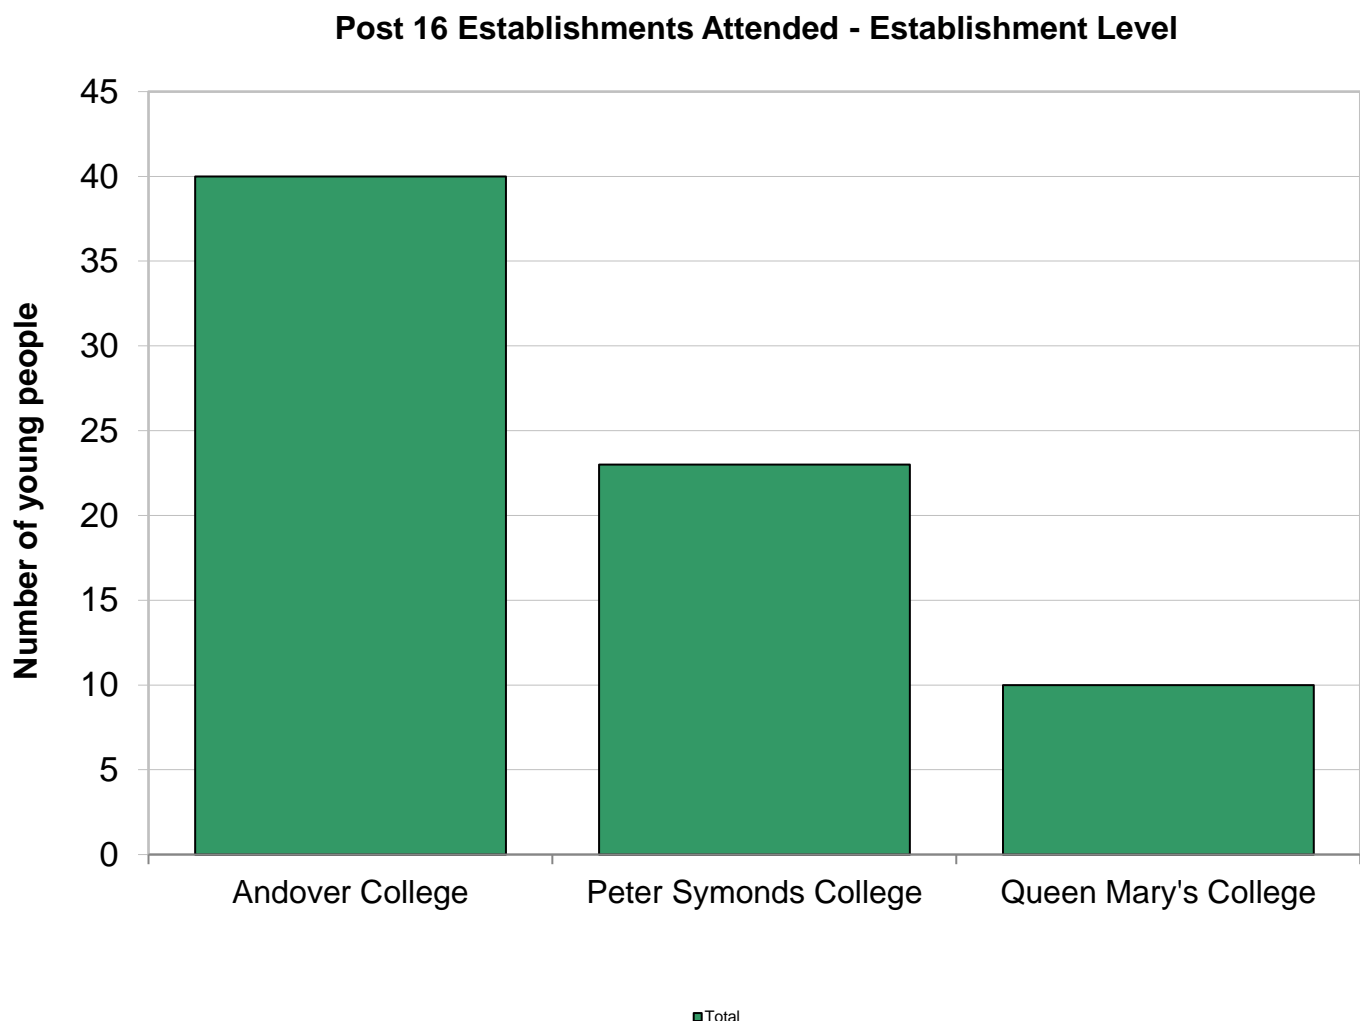

This data is only for the three most popular establishments. Year 11 leavers also attended Basingstoke College of Technology, Wiltshire College, Sparsholt College, Barton Peveril Sixth Form College, Avon Valley College, Chichester College Group, Park House School and Salisbury Sixth Form College.
