

Year 7 Tutors' Consultation – Week beginning Monday 12th October

7th October 2020

Dear Parent/Carer,

As your child is settling into their time at Test Valley School I am very pleased to be able to write and say what a positive impact they have had as a new year group. Their uniform is overwhelmingly positive, even accounting for the initial difficulties in supply and we are pleased to see that these are now resolved.

I am writing to invite you to join us, either on teams or by phone to discuss the progress your child has made in their first half term at Test Valley. Meetings will be arranged with your child's form tutor and by appointment only. As we still need these meeting to be 'virtual' I am asking for you to choose an hour-long time slot during the week, between the hours of 3:45pm and 6:00pm, when you will be available for a 10 minute call or teams meeting with the tutor. They will then call at some point during this agreed time slot.

We should stress that meetings will be brief and there will be the opportunity to discuss more detailed progress in individual subjects with subject teachers at the **Year 7 Parents' Evening on 18th March 2021.**

This evening is an opportunity to discuss with your child's tutor:

- how he/she is settling following their transition from primary school
- the progress he/she has already made this half term

I would therefore ask you to return the slip below, indicating an appropriate time when you will be available during the upcoming week. Please can you endeavour to return the reply slip by Monday 12th October.

Yours sincerely

Mr I Murdoch-Smith
Year 7 Co-ordinator
