

Year 10 Parents Consultation Evening

November 2020

Dear Parent/ Carer,

The Year 10 Parents' Evening will be held **on Thursday 19th November between 4.00pm – 7.00pm.**

Due to COVID restrictions these meetings will need to take place online rather than in person. The online booking system will be available for you to book appointments from 12th November **at 7pm.** The booking deadline is 18th November at 3:20pm.

Please be aware that meetings are 5 minutes in length and the system will automatically terminate the meeting after 5 minutes. Teachers have no control over this.

We would ask that you follow the attached instructions. We would encourage all pupils to attend online with their parents and play an active role in the consultations.

All of your child's subject teachers will be available for appointments to discuss his/her progress unless shown otherwise when booking. Please be aware that it will not be possible to book appointments with your child's Head of Year or tutor, unless they teach your child. If you wish to discuss any pastoral issues with the Year lead or tutor please email them at school to arrange a separate appointment.

We do hope that you will be able to join us online for this important evening. Should you have any queries regarding the above arrangements please do not hesitate to contact your child's tutor. If you experience problems with the online booking system or do not have online access, please contact the school office for assistance.

Yours sincerely,

Mr Langdown
Year 10 Year Leader

How to attend an appointment

- To attend the Parents Evening, please login again before the first appointment starts.
- On the main dashboard page you will now see a 'Join Video Appointment' button.

Press this and you will be taken to a page with a placeholder for a video image, media controls and your booking schedule.

Clicking on the blue microphone and camera buttons will enable/disable these features. The red phone icon will hang up the call.

You will be asked to give permission for your browser to use your microphone and camera. Click 'yes' to each of these when prompted.

- When the first meeting is due to start, the video rectangle will automatically change to show the teacher and you will be able to talk.

Note the timer at the top of the screen. Each appointment is 5 minutes long and with a few seconds before it reaches zero, your meeting will end. Stay connected and if you have a meeting directly afterwards, the next teacher will appear.

This will repeat until you have completed all the appointments. There is no need to disconnect as the system is automated to connect to the next teacher at the correct appointment time.

- When all appointments have been attended you may close the web browser.
