Dear Parents and Carers,

I would like to invite you to join us for a virtual Information Evening held **via Microsoft Teams on Thursday 12th November at 6pm**. There will be presentations looking at how you can support your child with digital platforms and online safety, a look at the work we are doing with pupils around the issues of coping with Covid and Transition and Accessing and using Teams from home.

Introduction by Ms Wilden and Mr Murdoch-Smith, followed by:

1. Digital Safety: We will be sharing with you some of the things we are doing to help pupils be safe online – and we will also be sharing some of the things you can do to support this at home.
2. A presentation on the group work that is ongoing to help pupils cope with the stresses of Covid and Transition.
3. Accessing Teams: A guide to accessing home learning and other helpful functions of Microsoft Teams so you can support your child's learning at home.

We hope you will be able to join us for this event and we look forward to meeting you for these workshops. The link will be available on the website prior to the event on the 12th November. Should you have any queries regarding the evening do not hesitate to contact me.
