

12 February 2021

Dear Parents and Carers

On Monday 15 February we will be launching "Test Valley to Tokyo". The aim is for members of our school community at Test Valley to run, walk, swim or cycle the 9659km from Stockbridge to Tokyo in time for the start of the opening ceremony of the re-arranged Olympic Games on 23 July.

We would like as many pupils, parents and colleagues who work at Test Valley School to count up how many kilometres of additional exercise they do each week and then to submit this to us so that we can keep a running total. There is no need to take part every week, although we would encourage everyone to take and enjoy regular exercise.

Each Monday you are invited to submit the distance you have covered through the link here:

Simply open the camera on your smart phone and hover over the QR code.

In the process, we are raising money for Helpful Hounds, the fantastic charity that has provided Hope, our wellbeing dog. We are hoping to raise £500 by 23 July.

We would gratefully receive any donations via our JustGiving page at www.justgiving.com/fundraising/testvalleyschool
