

6 July 2021

Dear Parents/Carers,

This year's day of sports will be held on Friday 16<sup>th</sup> July. The objective of the day is to encourage participation and enjoyment amongst the pupils as well as competition within their tutor groups.

We will be running a variety of activities whilst maintaining the current year group bubbles. Pupils will all be involved in Zone ball, Rounders, Sports quiz, and a fun run/walk, which will be raising money for a defibrillator for the school. These events will take place in the morning. In the afternoon, the whole school will take part in some more traditional activities such as 6 x 100m relays, as well as "welly-wanging" and tug of war competitions. Pupils will remain socially distanced in their year group bubbles.

If you wish to contribute to the school's attempt to raise money for a defibrillator, donations can be made via your child on the day. This is obviously a life-saving piece of equipment and one that we feel we should have in the school, though hope we never need to use it. On the 16<sup>th</sup> July we would encourage pupils to come to school wearing their PE kit and a shirt of their house colour if they have one:

- Griffin – Purple
- Centaur – Red
- Phoenix – Blue
- 9CR & 10R - White

Please could you ensure that your child brings to school plenty of water and sun cream and they may wear a hat to protect themselves from the sun.

Unfortunately, due to the current Covid restrictions parents will not be able to attend the event.

Kind regards

Mr Falkingham  
Subject Leader of Physical Education
