

4 November 2021

Diabetes Awareness Day

Dear Parent/Carer

November is Diabetes awareness month, with World Diabetes Day falling on Sunday the 14th November. As we have a number of pupils in school who have diabetes or who have a family member who has diabetes, we are going to hold a Diabetes Awareness Day on Friday 12th November.

All pupils will be shown a PowerPoint during their afternoon registration period giving information on both Type 1 and Type 2 diabetes and may wear blue accessories to show support for the day. This is not a non-uniform day and the normal uniform rules apply, but pupils may wear blue socks, hair bands or other accessories.

Should you have any queries about the day, please do not hesitate to contact me.

Yours sincerely,

Mrs N Osborne

Head of Key Stage 3
