

## Year 9 Parents Consultation Evening

---

March 2022

Dear Parent/ Carer,

This year we will be holding this Parents Consultation Evenings on Thursday 24 March. Appointments will be available between 4.30pm – 7.00pm.

These meetings will take place online rather than in person. The booking deadline is 2pm on the day of each Parents Consultation Evening.

The purpose of these evenings will be to discuss possible option choices as well as current progress and all appointments will be a maximum of 5 minutes long. Please be aware the system will automatically terminate the meeting after 5 minutes. Teachers have no control over this.

We recommend that you make appointments for core subjects (English, Maths and Science) and for those subjects that your child is considering studying at Key Stage 4. This is in place of the Curriculum Information Evening that we cancelled last week due to staff absence.

We would ask that you follow the attached instructions on the next page two pages. It is important to fully read the instructions below though prior to the evening.

We would encourage all pupils to attend online with their parents and play an active role in the consultations.

All of your child's subject teachers will be available for appointments to discuss their progress unless shown otherwise when booking. Please be aware that it will not be possible to book appointments with your child's Head of Year or tutor unless they teach your child. If you wish to discuss any pastoral issues with the Year lead or tutor, please email them at school to arrange a separate appointment.

We do hope that you will be able to join us online for this important evening. Should you have any queries regarding the above arrangements please do not hesitate to contact your child's tutor. If you experience problems with the online booking system or do not have online access, please contact the school office for assistance.

Yours sincerely,

Mr S Gibbs  
Head Teacher
